

Dear Mr./Ms. {contactfield=lastname},

Are you struggling to find suppliers with the right price, right quality, and stock availability? Or spending too much time searching for all the necessary product codes while your customers are pressing for orders?

Don't worry—Mecsu has been through the same challenges for years! That's why we're excited to share a solution that helps you find products **up to 10x faster**.

Here's how you can source what you need **without wasting** too much time:

[Mecsu Orderbook - The Quick Search Guide - "Flip and find, search with ease"](#)

After more than **two years of research, collaboration with nearly 300 suppliers**, and launching the first trial version, we now have around **3,000 active users** with an average satisfaction rating of **3.5/5**.

Key Features

- **Extensive product catalog** – Browse a clear list of over 30,000 product codes.
- **Transparent pricing** – Get full pricing details for all sizes.
- **Seamless experience** – View detailed product insights in an intuitive layout.
- **Easy storage & editing** – Download in PDF format and modify as needed.

Mr./Ms. {contactfield=lastname} you can **download the streamlined [PDF version](#) here**.

We at Mecsu would love to hear your feedback, Mr./Ms. {contactfield=lastname}.
